

## Gordonsville Intersections Improvement Study

# Goals and Vision

---

January 2013

### **Vision Statement:**

We envision a roadway (N High Street and S High Street) that serves the needs of all users and stakeholders while promoting economic vitality, preserving/sustaining and/or enhancing the integrity and overall character, and promoting safety and livability of the corridor.

### **Goals:**

- Improve heavy truck mobility and safety.
- Increase pedestrian and bicycle safety.
- Minimize disruption to surrounding residents, businesses, and schools.
- Meet the Town's vision for the corridor.
