RULES AND REGULATIONS FOR MAPLEWOOD CEMETERY
Gordonsville, Virginia
540-832-2233

1. A grave space can only be used for burial of human remains.

2. A permit fee must be paid before a burial can be held.

3. A monument or headstone can only be placed at the head of a grave and must be at least six inches narrower than the space or grave spaces you own.

4. When using a monument other than a headstone, the monument must be flush with the ground so a lawnmower can cut over the stone.

5. A permit must be obtained two weeks prior to setting a monument.

6. Mausoleums or ledgers require prior approval of the Maplewood Trustees.

7. No planting of shrubs, flowers or any living plant, building of a wall, or any type of edging is allowed on a grave space.

8. Due to grounds maintenance, grass cutting and leaf removal, flowers and/or other articles may not be left on cemetery graves from April 30 to November 30.

9. Maplewood Cemetery is not responsible for ANY FLOWERS or other articles placed in the cemetery.

10. A grave liner (constructed of 16-gauge steel or better, polypropylene or concrete) or manufactured burial vault is required for burial of a casket; this is not required for urn.

11. Each grave space can only be used for one (1) burial or a casket with one (1) cremation or two (2) cremations per space.

12. The grave space being used must be paid in full before a burial.

13. A grave or grave spaces purchased must be paid in full within six (6) months.
