NEW BUSINESS

Consideration of Conditional Use Permit request for 314 N. Main Street

Mrs. Kendall presented the staff report and application.

The Commission discussed the application and the proposed use of the property as a church. The applicant was not present at the meeting.

Mr. Charles Jaeger, adjoining property owner, was present at the meeting and noted that his investigation into the request revealed that the current church may be too small for the
congregation wishing to locate in the former Christian Church building. He also noted that services may be well-attended and that the pastor is well-sought-after. Mr. Jaeger further expressed his concern about his quietude, late services, early services and the number of activities that might be held by the church. He further stated his hope that the Planning Commission will place conditions on the church because he is concerned that the church will grow and have a greater impact on surrounding properties (number of parishioners and number of services) than was experienced when the Christian Church held services there.

The Planning Commission discussed the application and indicated more information would be needed from the applicant about the church’s intended use of the property before they could take action on the requested conditional use permit.

Commissioner Ferguson made a motion, seconded by Vice-Chairman Bradley, to table action on the conditional use permit until the next meeting. The vote was 4-0.

*Commissioner Winkey-Scott entered the meeting at 7:09 p.m.*
