BACKGROUND:

This matter remains on Council’s meeting agenda so that staff may provide updates as needed.

The design phase of the park redevelopment project has begun. Town Council participated in an architectural and site materials charette on Thursday, February 2, 2023.

As a follow up to the charette, LPDA will provide a revised pool and pool house layout for Council’s review in advance of the February regular meeting. Staff requests that Council approve the revised plan at the meeting so that materials may be determined and design for the rest of the park may continue.

Council will hold a charette on Monday, March 6, 2023 to review and discuss materials for the park project.

STAFF RECOMMENDATION:

Staff recommends that Council approve the revised plan for the pool and pool house, as presented.

MOTION FOR CONSIDERATION:

“Motion to approve the revised plan for the pool and pool house, as presented.”
