---	---

BACKGROUND:

Staff has released another solicitation for bids for the town hall parking lot project with the intention of beginning project construction this spring. Bids are due to the Town by 10 a.m. on Wednesday, March 29th.

Council initially approved the plan for the project in spring of 2022. The current, finalized plan document was provided to Council under separate cover for review on March 8th, and includes undergrounding of power lines, as well as elimination of the parking space located just outside the back door of the administration offices in town hall.

Staff requests Council’s approval of the plan as revised.

STAFF RECOMMENDATION:

Staff recommends Council’s approval of the revised plan, as presented.

MOTION FOR CONSIDERATION:

“Motion to approve the revised Town Hall Parking Lot project plan, as presented.”
