Discussion on pool design with Charlottesville Aquatics.

Mrs. Kendall introduced Fred von Lewinski from Charlottesville Aquatics, Incorporated.

Mr. von Lewinski provided Council with a draft pool design concept and discussed the various features shown. Council discussed the design as presented and asked for a few modifications to the concept, including re-orienting the diving board to a north-south orientation and replacing the entry plaza with a baby pool. Mr. von Lewinski indicated he would make the changes as noted and provide Council with a revised concept to review before the December meeting.

Discussion on Virginia Land Conservation Fund grant.

Mr. Hujik briefed Council on the VLCF grant opportunity. In response to concerns raised by Council, Mr. Hujik noted that any award of grant funds is not binding and that provisions of the easement that is required for participation in the program would be negotiated before the funds are disbursed.
