BACKGROUND:

Two construction bids for the completion of the freight depot exterior renovation were received on June 17, 2020. A bid analysis of the responsible and responsive bidder has been submitted to VDOT for their review and has been provided to Council for their information. Staff requests Council’s authorization, upon authorization by VDOT and review and approval by the Town’s legal counsel, to execute a contract with the successful bidder for the completion of the depot project.

STAFF RECOMMENDATION:

Staff recommends that Council authorize the Town Manager to execute a contract with the successful bidder for completion of the exterior renovation of the Freight Depot, as presented, pending VDOT’s authorization to award the contract, and upon review and approval by the Town’s legal counsel.

MOTION FOR CONSIDERATION:

“Motion to authorize the Town Manager to execute a contract with the successful bidder for completion of the exterior renovation of the Freight Depot, as presented, pending VDOT’s authorization to award the contract, and upon review and approval by the Town’s legal counsel.”
