BACKGROUND:

This matter has been placed on Council's agenda at their request as an on-going item of discussion regarding the Town's use of CARES Act funding to be allocated to the Town.

To date, \$11,185 has been expensed or encumbered for the Town's CARES Act related materials or services.

The County is expected to approve appropriation of its CARES Act funding at their July 14th meeting. Subsequently, the funding due to Gordonsville will be provided in a lump sum to the Town once a funding agreement with the County has been executed. Such an agreement has been drafted by the County and will be provided to the Town for Council's consideration once it has been approved by the Board of Supervisors. Staff expects to receive this draft agreement in mid-July.
